

In 1990, the Citizens Organization for Police Support 2, Inc. — COPS 2 — became the first tax-exempt volunteer organization in New Orleans dedicated to the support of police officers assigned to the Second District. All dues and donations are used for programs and items designed to enhance the working lives of our officers.

#### OUR MISSION STATEMENT

COPS 2 exists to provide support for the officers of the NOPD Second District. We accomplish this in three ways:

##### Recognition

We express community appreciation for the officers who serve the Second District.

##### Partnership

We work with Second District officers to determine ways to improve the quality of their working lives.

##### Involvement

We strive to involve the larger Second District community to achieve our mission.

## OUR ACTIVITIES YOUR OPPORTUNITY NOW MORE THAN EVER!

Our police officers put their lives on the line for us daily. You have an opportunity to support them by joining COPS 2.

Join today, because your dues and additional donations will help fund urgent needs and regular activities that increase the effectiveness of the Second District officers patrolling our neighborhoods:

- Professional items that must be supplied personally, such as uniforms, flashlights and other equipment
- Special purchases for the District when specific needs arise such as computers, emergency repairs, etc.; we also funded the Magazine Street scooters that have proven to be very successful
- “Best of the Month” and “Best of the Quarter” awards to recognize excellence in the ranks on a regular basis
- Annual Awards Luncheon, in conjunction with Touro Infirmary, for officers and their families; during the luncheon winners of the quarterly *Tommy Parker Awards* receive a plaque and small monetary award
- Mardi Gras Meals, which provides food and refreshments to officers, all of whom must work extended shifts during Mardi Gras
- Special education programs to improve a variety of skills that increase individual officer effectiveness; among our partners for these programs is Family Services of Greater New Orleans

Each Fall we also produce the highly successful *Magazine Street Blues Festival* to raise funds and increase awareness among Second District residents.

*The men and women of the Second District are extremely appreciative of COPS 2 and the programs it funds. COPS 2 is the vital link between the police department and the community, which enables the officers on the street to be more effective. Through this partnership, COPS 2 provides the Second District with key resources for the police officers who patrol the neighborhoods and businesses of the Uptown community.*
